Reflection of the Week

Today the Church celebrates the Solemnity of the Epiphany. The word “epiphany” comes from the Greek *epiphainen*, a verb that means “to shine upon,” “to manifest,” or “to make known.” What the Church celebrates today is the manifestation of our Lord Jesus Christ to the whole world; after being made known to the shepherds of Bethlehem, He is revealed to the Magi who have come from the East to adore Him.

The Epiphany should be and is a great Feast for us. The joy we felt at the birth of Christ on Christmas must be renewed today (and every day for that matter). In a sense this is a second Christmas Day as it puts the Lord in a new light. This day manifests the divinity of Jesus. At Christmas it was a few shepherds who were invited by the Angels to go and witness and recognize the Lord.

However, today, at the Epiphany, the voice of God calls the whole world, each and every one of us, to adore Jesus, and to hear Him. The Epiphany or the realization of the divinity and saving grace of the Lord should lead us as individuals to a personal epiphany. In a sense an epiphany is representative of conversion, conversion to the truth.

If we accept Christ as our Savior and if we truly strive to live our lives as His disciple, we begin to pursue lives of stewardship, lives of love and service. Today of all days should help us in that realization and in that goal.

TREASURES FROM OUR TRADITION

This year, in the United States the celebration of the Epiphany falls on January 8, but the traditional date for the Epiphany is January 6. The date we know as January 6 was established as the solstice in Egypt in 1996 BC, but the Egyptian calendar lost a full day every 128 years. Twenty centuries later the actual solstice had migrated to December 25. People still kept January 6 for the solstice celebration, but December 25, matching nicely with the Roman pagan feast of the Unconquered Sun, launched an extended solstice holiday. By the time of the early church, the whole period of twelve days was celebrated just about everywhere.

Christians began to celebrate Christ as the true light of the world in four themes: the Nativity, the manifestation to the Gentiles, the baptism of the Lord, and the wedding feast at Cana. That was entirely too much for one day to handle. A twelve-day season was ready to be adapted, so Christians borrowed from the pagan calendar for their own season of light. Thus early Christian celebrations of the Christmas season extended from one date for the solstice, December 25, to the older date, January 6. The darkest time in the Northern Hemisphere could now be filled with the Christian observance of the arrival of the Light of the World.

TRADICIONES DE NUESTRA FE

Es tiempo de añadir los reyes magos al pesebre. En 1448 llegaron los pesebres italianos a las iglesias españolas, pero no fue hasta que el Rey Carlos III le regaló un pesebre a su hijo en el siglo XVIII que el uso de pesebres se expandió en los hogares. Desde entonces, el uso de nacimientos llegó al continente americano en donde se convirtió en la decoración principal para las fiestas navideñas.

Así como en todo país latinoamericano el montaje del Belén es una tradición, lo es también en Venezuela. Con el pesebre venezolano llegan también aguinaldos, parrandas, Misa y patines. ¡Sí! ¡Patinas!

Desde la mitad del siglo pasado los venezolanos celebran la época navideña con “patinadas”. Estas “patinadas” normalmente se hacen por las mañanas y muchas calles están cerradas a los autos hasta las 8 a.m. para que niños y jóvenes puedan disfrutar de los patines, bicicletas y otros juguetes que les regala el niño Dios. Por esto, muchos niños duermen con un “cordoncito” atado al dedo gordo de los pies, que cuelgan por la ventana para que los despierten los que pasan patinado.
