Moral Guidelines for Vaccine Use

The Johnson & Johnson vaccine uses abortion derived cell lines to make their vaccine therefore:

1. When a choice of vaccine is available, Catholics should use Pfizer or Moderna.
2. If no choice of vaccine is available then the Johnson & Johnson vaccine may be used due to the greater good of preventing COVID-19.
3. Being vaccinated can be seen as an act of charity that serves the common good.
4. These guidelines come from the Congregation for the Doctrine of the Faith and the US Conference of Bishops.

The Pfizer and Moderna vaccine do not use an abortion derived cell line for their production unlike Johnson & Johnson.

Lenten Regulations

This is the time of year when we may become a bit confused about the proper observances for the season

Good Friday are days of fast. Fasting is generally understood to be 1 meal without snacking during the day. Many people mitigate the observances with 2 small meals that do not equal the sum of the 3rd. All Catholics without medical problems are obliged to the law of fast, beginning at age 18 and continuing through age 59.

All Fridays of Lent and Good Friday, are days of abstinence. This law applies to all Catholics 14 years of age and older. No meat or visible meat products in other foods may be consumed, including wild game, fowl, lamb, pork or beef.

Soy, milk products, eggs, cheese, fish and shellfish are permitted

We are offering Mass at our parish on Sundays at 10:00 am. On Fridays there is a 12:10 pm Communion Service for the vulnerable in high risk categories. Remember, you can still access Father Jim's Sunday Mass and Holy Days of Obligation on our Facebook page (Anyone can view the page by typing in the link below. No sign-up on Facebook is required).

Masks are still a must and please continue to sign up ahead of time by calling the office (at 1-775-267-3200 ext 0) or emailing us (at generaloffice@ccchurchcc.org) the preceding week.

Reflection of the Week

As we are nearing the end of our Lenten journey, our readings today remind us of the goodness that our God has to offer us.

In today's Gospel, Jesus announces that the "hour has come for the Son of Man to be glorified." All that He came to do on this earth was soon to be fulfilled. When we reflect on what Jesus says in this passage, He tells us a great deal about how we should be living as disciples of Christ. He clearly states, "unless a grain of wheat falls to the ground and dies, it remains just a grain of wheat; but if it dies, it produces much fruit."

We are called to detach from our own desires and entrust our lives to all that God has in store for us. Without self-denial, we might miss occasions God has given us to produce good fruit. We have been practicing this throughout our Lenten season through fasting. One way to continue this effort after Lent is by taking advantage of the countless opportunities God presents to us to sacrifice our desires for something much greater — whether waking earlier to spend time in prayer, fasting from a favorite comfort on a weekly basis or taking the time to check in on a friend or family member instead of turning on the TV, just to name a few. It is important that we continue to make room for God and the good things He wants to produce in us all year long.

As our Lenten journey soon concludes, may we consider the ways in which we might continue the practice of self-denial by offering small, daily sacrifices to the Lord.
