“Without a foundational, practical formation, it is difficult for our consciences to guide us well in concrete situations. As Catholics, we have the immense gift of the teaching authority of the Catholic Church and can turn to it for help forming our consciences. For example, learning about Christian moral principles, reading the Catechism of the Catholic Church, or researching what the Church says about a challenging teaching will help us grow in knowledge of the truth.”

USCCB Secretariat of Pro-Life Activities, “Understanding Conscience”

“Sin una formación fundamental, práctica, es difícil que nuestra conciencia nos guíe bien en situaciones concretas. Los católicos, tenemos el inmenso don de la autoridad docente de la Iglesia Católica, que sirve para ayudarnos a formar nuestra conciencia. Por ejemplo, conocer los principios morales cristianos, leer el Catecismo de la Iglesia Católica o ver lo que dice la Iglesia sobre un asunto difícil nos ayudará a crecer en el conocimiento de la verdad”.

USCCB Secretariado de Actividades Pro-Vida de la USCCB, “Comprender la conciencia”
