Reflection of the Week

We have had three consecutive weeks of significant Solemnities—Pentecost, Trinity Sunday, and now the Solemnity of the Most Holy Body and Blood of Christ, better known by the name of Corpus Christi which translates from the Latin as the “Body of Christ.”

Clearly this is a celebration which brings our focus on the Eucharist, which is at the absolute center of our liturgy, and at the core of our Catholic faith. We have mentioned many times that all revolves around the Eucharist when we receive the real Body and Blood of the Lord.

According to the *Catechism of the Catholic Church* (#1324), “The Eucharist is ‘the source and summit of the Christian life.’ The other sacraments, and indeed all ecclesiastical ministries and works of the apostolate, are bound up with the Eucharist and are oriented toward it. For in the blessed Eucharist is contained the whole spiritual good of the Church, namely Christ himself.”

The Eucharist should be the high point of our week, or even of our day. The author J.R.R. Tolkien (author of *The Hobbit* and *The Lord of the Rings* trilogy), who was a devout Catholic, once stated, “The only cure for sagging or fainting faith is Communion. Though always itself, perfect and complete and inviolate, the Blessed Sacrament does not operate completely and once for all in any of us. Like the act of Faith it must be continuous and grow by exercise. Frequency is of the highest effect. Seven times a week is more nourishing than seven times at intervals.

TREASURES FROM OUR TRADITION

The origins of today's solemnity lie in thirteenth-century Belgium. In those days, people seldom received Holy Communion, and never from the chalice. A nun in a troubled convent, Juliana of Liège, devoted her life to stirring up love for the Eucharist, lobbying for a feast day to honor the Blessed Sacrament with Masses and processions.

Juliana may have been inspired by the Ascension Day processions in nearby Bruges. Crusaders brought a treasure home to Bruges from Constantinople in 1204: a reliquary said to contain a cloth from Joseph of Arimathea with which he had helped prepare the body of Jesus for burial. The stain on the cloth was said to be the holy blood itself, and so the people of Bruges built a great basilica to house the relic. Bruges became a great center of pilgrimage because of this treasure, and the procession of the Holy Blood is still one of the greatest festivals in Belgium today. The bishop carries the relic through the narrow streets, and the people wear medieval costumes and act out scenes from the Bible.

TRADICIONES DE NUESTRA FE

Los cristianos creemos que Jesucristo está físicamente presente en el pan y el vino consagrado durante la Misa. Esta creencia es tan antigua como nuestra Iglesia, pero fue solo en el siglo XIII que los cristianos comenzaron a venerar la presencia sacramentada de Jesús en la hostia. Fue durante esta época que nació la fiesta de Corpus Christi o la actual celebración del Cuerpo y la Sangre de Cristo. Muchas comunidades cristianas celebran esta fiesta con procesiones y cantos en honor al Santísimo Sacramento del altar.

Recuerdo que en Texas el pueblo mexicano cantaba: “Bendito, bendito, bendito sea Dios, / los ángeles cantan y alaban a Dios (2x). Yo creo Dios mío que estás en el altar / oculto en la hostia ten vengo adorar (2x)”. Este canto enfatiza la verdadera presencia de Jesús en el pan consagrado, pero sus cantores ignoran el hecho que nosotros también fuimos consagrados en el Bautismo; consagrados para “alter Christus” (otro Cristo) en el vecindario. En un mundo donde menos gente asiste a Misa el único Corpus Christi que la mayoría de la gente secularizada verá es tu cuerpo. Ojalá podamos comportarnos como buenos testigos de la fe y que proclamemos “bendito, bendito” siempre y en todo lugar.
