Reflection of the Week

Today, Pentecost Sunday, is called by many the birthday of the Church. Not only does the Lord imbue His followers and Apostles with the Holy Spirit, but He sends them out into the world to accomplish and further His mission.

There are strong connections to the concept of stewardship throughout the readings on this day, including the statement by St. Paul in his letter to the Corinthians, "To each individual the manifestation of the Spirit is given for some benefit." That is a prompt to us that we are gifted in different ways, but we are to be willing to use those gifts to assist and support the Church and others.

Nevertheless, in the First Reading from the Acts of the Apostles is also a reminder to us about living a stewardship way of life. They are celebrating Pentecost, 50 days after Passover (which, for us, is Easter). Passover (as reported in the Book of Numbers in the Old Testament) was a time when the first sheaf reaped from the barley harvest was presented to God; however, at Pentecost the first fruits of the wheat harvest were given to God.

This concept of giving the first fruits to God is at the heart of stewardship. How do we share the bounty that has been given us? The people of Jesus' time were deeply conscious of all their gifts, including the gifts of the earth. Everything we have comes from God. This is a day to contemplate that and to respond to it.

TREASURES FROM OUR TRADITION

Today, the languages of the whole world arise to God in a Pentecost of praise. In some American dioceses, the Mass is offered every Sunday in more than thirty different languages, including the silent praise of American Sign Language. Fifty years ago, the landscape of liturgy was very different. It was grounded firmly in Latin, which is to the present day still the official language of the Roman Rite. Very few people were fluent in Latin, even though in those days Latin was far more widely studied in school. Nevertheless, almost every Catholic was competent in the responses and chants of Latin since it is not difficult to pronounce. The clergy were normally minimally competent in Latin, since much of seminary education was conducted in that language.

When the Second Vatican Council was convened, all of the debate and daily work of the council was to be in Latin. In the first session in 1962, Boston's Cardinal Richard Cushing continually complained about it, and threatened not to return in 1963 if something wasn't done. He convinced the fathers when he rose to speak in fairly fluent Latin in an unforgettable Boston twang. The next year, he returned, but with a simultaneous translation system funded by the people of Boston. The ordinary everyday language of the people, the vernacular, had arrived at the Vatican via Boston!

TRADICIONES DE NUESTRA FE

El día 9 de junio del año 1597, falleció el jesuita José de Anchieta proveniente de las Islas Canarias, España. Este santo “apóstol de Brasil” fue beatificado en 1980 gracias a sus grandes esfuerzos humanitarios, literarios y evangelizadores en Brasil. Llegó a Brasil en 1553 donde aprendió Tupí, el idioma de los nativos. Enseñaba a los indígenas, evangelizándolos con la doctrina cristiana y educándolos en historia, filosofía y medicina. Eventualmente fundó el colegio jesuita de São Paulo de Piratininga donde tuvo la audacia de educar, junto a los hijos de los nativos, los hijos de los portugueses. Para este esfuerzo escribió muchos libros y manuales, cosa que le mereció ser el primer escritor en Brasil.

Además de ser un escritor prolífico, este misionero dedicó su vida a predicar el Evangelio en Brasil, país que cruzó a pie, fundando pueblos y escuelas para los indígenas cristianos. Estos le llamaban el “santo volador” por la velocidad con que caminaba. Su celo por el Evangelio lo motivaba a seguir caminando. Como dice el profeta Isaías: “Que hermosos son los pies del que trae buena nuevas” (Isaías 52:7).
