Introduction to the Mass #3Hymns

"He who sings, prays twice" A paraphrase of St. Augustine, Commentary of Psalm 73

One of the things most often associated with the Church is the hymns we sing. Hymns primarily exist to aid us in our prayer; in the lifting up of our voices, we lift up our hearts to God as well. But there also exists a theological significance to the hymns we sing—just as our many different voices all come together to form one harmonious hymn, so too all of our disparate lives come together for this one act of worship.

What is your favorite hymn and why?

Project Rachel

June is traditionally the Month of the Sacred Heart of Jesus. We pray for all fathers who are suffering the pain of Post-Abortion Syndrome because they have participated in an abortion or have lost a child, as the result of an abortion against their will. May they receive the grace from the Sacred Heart of Jesus to reach out for healing. Please find out more about us at <https://www.highdesertcatholic.org/>.
