In today's Gospel Reading from St. Matthew, Christ is asked why He speaks in parables. His response in part is the statement, "To anyone who has, more will be given and he will grow rich; from anyone who has not, even what he has will be taken away." Christ's parables, of which there are many, may not always make sense to us, unless we consider them carefully.

Christ's speaking in and relating to parables has everything to do with what we call The Word. If we listen conscientiously to the Word (represented by our readings at Masses and to the homily we hear), we may, and perhaps even should, grasp the meaning. The Word is filled with the deeper truths of the Bible. God opens our eyes and ears to these truths, but we must be amenable to them and must be willing to try to understand them. Too often we merely listen and do not hear. We go through the motions, when our total concentration should be on what we are being told. First of all we need to appreciate that only God can open the eyes and ears of each of us.

One of the popular phrases about stewardship is "an attitude of gratitude." That is so important. On a bad day, even the most hardened of us can find one thing for which to be grateful, and that can adjust everything in our thought processes. Are we closed to the teachings of Jesus? If we open our minds and concentrate, the Lord's teachings may unfold to us like nothing we have ever experienced previously.

### TREASURES FROM OUR TRADITION

Two centuries ago, Archbishop John Carroll worried that Americans would not appreciate the linguistic veil over our worship, and asked that the liturgy in the new United States be in English, not Latin. How did our liturgy come to be in Latin in the first place? In the first century, the dominant language in the regions where the church first flourished was Greek. Today in much of the world, almost everyone speaks at least a bit of English. Recently, the European Union even considered making English its official language, a curious proposal since only two English-speaking countries are members.

Just as English is a unifying language today, it was hard to function in the ancient world without a smattering of Greek. Even the word "Eucharist" comes from the Greek for "thanksgiving." For a long time, Greek was the language of worship, even in Rome. Slowly, society in the west shifted to a bias for Latin and against Greek. Latin first appeared in public prayer at the end of the second century, in the colonial outposts of North Africa. Soon, Latin became the language of culture, and so as fixed prayer forms were written, they were transmitted in Latin. From Rome and Africa, over the next four centuries, the new liturgical language of Latin spread north to Gaul and Britain.

### TRADICIONES DE NUESTRA FE

Uno de los pasajes bíblicos más bellos tiene que ser el de Isaías 11:6. El profeta proclama la paz mesiánica como una paz en donde animales voraces como el lobo, el leopardo, el león y la osa habitarán tranquilamente con animales mansos como el cordero, el cabrito, el ternero y la vaca "y un niño pequeño los conducirá". Esta es una paz donde la justicia rectifica las desigualdades y pone fin a la violencia. En esta profecía el Cristo es un niño que pastorea el mundo con una eficacia sorprendente. Él hace lo que los gobernantes del mundo pretenden hacer pero nunca logran, pone fin a la guerra, la pobreza y el hambre.

Por esta razón hay muchas imágenes del Niño Jesús como el Santo Niño de Atocha, el Niño Jesús de Praga, el Divino Niño de Bogotá y el Niño Jesús en manos de san Antonio, entre otros. Éstas captan el deseo cristiano de que el niño venga a conducirnos hacia la paz mesiánica y a la vez, nos recuerda que hay que ser como niños para entrar en el reino de Dios.
