In today's Gospel reading, Jesus continues His instruction on the Eucharist. Many of his own disciples cannot accept His teachings and instead return to their former way of life, abandoning Christ altogether. Jesus turns to the Apostles and asks them to choose with the question, "Do you also want to leave?" Peter speaks up for the Twelve responding, "Master, to Whom shall we go? You have the words of eternal life."

The demands of a stewardship way of life can be difficult. And the teachings of Christ can be hard to accept. How can we keep going when it gets tough? Peter's honest answer to the choice Jesus poses shows us a way to stay true to a stewardship way of life.

Looking at himself and the world around him, Peter comes to a realization. To paraphrase, he says, "I don't really see any better options, Lord. I've tried life with you and it's hard. But I've tried life without You and it's harder — it doesn't satisfy. Where else am I going to go? I choose You, Lord." Peter knows he doesn't have all the answers. And, so, he humbly chooses to rely on God. When the going gets tough, we can keep going by relying on God and trusting more deeply in Him.

Remembering blessings and relying on Him — these are two keys to a beautiful way of life.

TREASURES FROM OUR TRADITION

This is the height of vacation season, but as anyone who has ever been to Rome in the summer knows, no time to visit there! The city is sweltering, and in a pre-air-conditioned world long ago, Romans figured out that they needed a break in the surrounding hills. Even the pope clears out. His destination is usually Castelgandolfo, a lovely little hill town southeast of Rome, overlooking a tranquil lake. It has been a papal possession since about 1600, and in 1929, when most of the papal states were finally lost, the papal dwelling was given "extraterritorial rights," meaning that it is an extension of Vatican City and not under Italian rule. The Vatican observatory maintained telescopes here for decades, far from the glare of the city lights of Rome, but although the observatory offices remain here year round, the telescopes are in Arizona. Pope Francis spends less time here than his predecessors, though he still slows down the pace of his work in Rome.

Vacations can help us visit friends and relatives, and revive those human contacts that the pace of our lives keeps us from cultivating. The pope needs a break, and so do you. Vacation comes from a word meaning to empty oneself. There's still time to clear the calendar for at least one golden summer day even if you don't have a personal castle in the hills!

TRADICIONES DE NUESTRA FE

Narcisa de Jesús Martillo Morán nació el día de san Narciso (29 de octubre, 1832), hija de campesinos ecuatorianos. Vivió su vida como costurera y doméstica. Falleció en Perú en 1869. Su fe se distinguió por su amor a la presencia de Jesús Sacramentado en la Eucaristía, sus prácticas de penitencia y sus obras de caridad.

Cuando aún era joven, conoció la vida de la recientemente beatificada y ahora santa, Marianita de Jesús, "la Azucena de Quito" (1618-1645). La vida de esta santa mujer latina la inspiró a vivir como mejor cristiana, buscando ser guiada espiritualmente por una serie de directores espirituales.

En esta laica beata, encontramos dos puntos de reflexión para nosotros los latinos. El primero es la necesidad de conocer nuestros santos latinos no sólo para recurrir a ellos sino para imitar su santidad. Lo segundo es la necesidad de buenos directores espirituales, ya sean sacerdotes, religiosos, religiosas, laicos o laicas. La dirección espiritual es una práctica antigua en nuestra Iglesia y muchos hombres y mujeres han sido directores espirituales para guiar a personas como Narcisa, ayudándoles en el camino a la santidad.
