Reflection of the Week

Gratitude is the key to a stewardship way of life. Today's readings demonstrate the power and vital importance of gratitude in the life of the Christian disciple, for gratitude leads us to worship God, who offers us salvation.

We see the power of gratitude on display in the Gospel passage from Luke after Jesus heals 10 lepers. "And one of them, realizing he had been healed, returned." Only one of the 10 recognized the tremendous blessing he had received from Jesus, and he returned to thank Him. While it's easy to feel indignant at the failure of the nine others to return and thank Jesus, how often do we fail to recognize the blessings, answered prayers, and healings (both physical and spiritual), that the Lord showers upon us day and night?

The truth is that our very lives and every breath we take are His gift to us. But we can get so caught up in the stresses and distractions of daily life that we lose touch with this truth.

The Samaritan reacts to his gift of healing with the proper response to our loving God. Recognizing what he had just received from the Lord, he "returned, glorifying God in a loud voice; and he fell at the feet of Jesus and thanked Him." He was grateful for what God had done for him and this gratitude led to worship.

And because of this response, Jesus offered him a far more precious gift than physical healing; He offered him the gift of salvation. "Stand up and go; your faith has saved you."

Too often we hear the phrase, "Count your blessings," and write it off as nothing more than a trite saying. Today's Gospel shows us otherwise. Gratitude is powerful. It deepens our faith in God and leads us to fitting worship of Him.

TREASURES FROM OUR TRADITION

Christian liturgy has always contained an opportunity to make a choice for sharing. From the beginning, Christians pooled their resources, especially for the care of widows and orphans, at the weekly Eucharist. Over the years, the collection became detached from the liturgy and baskets or plates would be passed through the community while the Mass was going on at the altar, or contributions would be collected at the doors. In Milan's Ambrosian Rite, these gifts have always been brought to the altar by lay people in procession. In German countries, the ancient custom was for the entire assembly to process with their gifts—first the men, then the women, then the priests and deacons—to offer their gifts at the altar. The old ceremony of canonization included a curious vestige of this procession: people would present the pope with two loaves of bread, two barrels of wine and water, five candles, and three cages containing pigeons or turtledoves!

TRADICIONES DE NUESTRA FE

Muy popular entre los latinos es la monjita francesa santa Teresita, con sus rosas y crucifijo en mano. No cabe duda que ella fue una gran mujer, pero no podemos olvidar otra monja carmelita, la Teresota, o sea santa Teresa de Jesús (de Ávila).

En 1970, esta hispana fue la primera mujer nombrada Doctora de la Iglesia gracias a sus profundos escritos. Teresa vivió en el siglo XVI, una época de mucha reforma. Después de haber pasado varios años como religiosa, se dio cuenta que su vida personal necesitaba conversión. Así fue que se puso a orar y practicar el recogimiento del alma. Ella confiesa que pasarían casi 15 años antes de que estas prácticas dieran fruto. Ella no se dejó vencer durante esos quince años y siguió insistiendo en la oración hasta que Dios le concedió visiones y visitas celestiales. Su mística llena de gozos celestiales nunca la separó de la tierra. Ella no se escondía en la oración, mas bien salía de la oración para luchar en el mundo. Ella inspiró la reforma carmelitana y sigue inspirándonos hoy con sus escritos.
